

The mission of the Freeman Community Development Corporation is to foster & promote economic development, to support the community's current business infrastructure, & to advance a positive quality of life in the Freeman community & its service area.

Together, we're better because together, we can accomplish more! That's the idea behind this invitation to be part of the Freeman Community Development Corporation in 2023.

In 2022, FCDC's membership totaled 79 & was comprised not only of businesses located both inside & outside of city limits, but of 12 individual & family memberships! It's exciting to know that even those who aren't running a business chose to invest in our community in this way! Organizations like Rural Revival, Safe Place of South Dakota & the South Dakota Chislic Festival were also among FCDC's 2022 membership!

Here are just a few 2022 items to celebrate as a result of collaborative efforts involving FCDC:

- Brand new ExperienceFreemanSD.com website launched
- Freeman Bucks made available & hundreds of dollars given away at multiple times throughout the year
- Community event & give-aways organized to welcome Ride Across South Dakota participants
- Lots for sale in the new Westward View Housing Addition
- FCDC membership showcase & cooling towel give-aways at the Turner County Fair
- Collaborative Main Street Ribbon-Cutting event hosted with FHS & the City of Freeman
- FCDC member acknowledgements on websites, Freeman Development-Experience Freeman Facebook page, Golden West Cable channel 90 & Hometown Bingo cards
- Hosting of kids' Halloween Scavenger Hunt
- Hometown Christmas & Mistletoe Market hosting with holiday ham give-aways at the Freeman Community Center
- Email notifications of financial assistance & grant opportunities
- Additional free & discounted advertising opportunities

Courtesy of FCDC, an added perk for 2023 members is an individual Courier spotlight feature valued at \$75, with more planning for 2023 taking place early in the year!

On behalf of FCDC ~ *Carol J. Eisenbeis*
