

Freeman Rubble Site

Normal Hours:

May - September		October - April	
Wednesday	3:00 pm - 7:00 pm	Wednesday	12:00 pm - 4:00 pm
Saturday	12:00 pm - 5:00 pm	Saturday	12:00 pm - 4:00 pm

Any person hauling materials allowed other than his or her own property shall be required to provide a job certificate indicating the owner/occupancy of this property from which the debris is coming from.

The tipping fee imposed shall be in proportion to the quantity of rubble dumped based upon the size of the vehicle delivering each load. The tipping fees imposed are as follows:

- \$5.00 Car Load
- \$10.00 Pickup Load
- \$10.00 Trailer 8 foot or less
- \$20.00 Trailer in excess of 8 feet or truck containing 10 cubic yards or less
- \$32.00 Trailer or truck containing 11 to 15 cubic yards
- \$45.00 Trailer or truck containing 16 to 30 cubic yards
- \$20.00 CRT's

For loads exceeding 40 yards the contractor/owner is responsible to provide a loader and operator for piling materials in the appropriate areas at the rubble site.

Rubble acceptable for the rubble site shall be placed in the designated areas indicated by signs, or as otherwise indicated by a representative of the City.

A maximum of 5% of contamination will be allowed in the designated areas. The City of Freeman will adhere to the State of South Dakota Department of Environment and Natural Resources (DENR) solid waste permit regulations pertaining to what is allowed and not allowed in the rubble site.

Off Hours:

Any occupant desiring entrance to the rubble site for the other than its normal hours of operation shall be assessed a fee of \$20.00 and tipping fee and entrance shall be prearranged with the City. A minimum of one hour notification is required.

Appointment for multiple loads (40 yards or greater) must be made with a minimum of twenty-four (24) hours in advance. The rubble site attendant will open the gate. He will be present and monitor all loads coming to the rubble site. The attendant will be present the entire time. Off-hour multiple loads require a \$15.00 per hour rate and will be assessed to the customer. The attendant will complete the appropriate documentation and fee collection. The attendant will be responsible to close and lock the gate.

All materials must be properly sorted. A maximum of 5% of contamination will be allowed in the designated areas.

The contractor/owner is responsible to provide a loader for loads exceeding 40 yards. Material needs to be pushed in the appropriate areas, at the off load site.

The City of Freeman shall have authority to refuse entrance and dumping of rubble, which the City from time to time shall designate as not being acceptable for a rubble site.
