

City of Freeman Sanitation Services

RATES EFFECTIVE FEBRUARY 1, 2022

Payments become due on the 20th day of each month. A \$25 fee is applied to late payments.

Residents and businesses located within the City limits are eligible for once-a-week garbage pickup. The fee is \$17 for a 90-gallon container. A second 90-gallon container may be added for a monthly charge of \$16.00. Additional pickups are billed at a rate of \$6.00 per container per pick up. No more than two 90-gallon containers are allowed for any collection point.

Residents who are certified to be a recipient of fuel assistance under the Low Income Energy Assistance Program (LEAP) are eligible to pay a monthly rate of \$9 for one 90-gallon container.

Properties within one-mile of the city may request services at a rate of \$20 for the first 90-gallon container & \$19 for the second 90-gallon container. A fee of \$7 is charged for each additional pickup.

Should you need larger garbage receptacles, a 300-gallon size is available for \$57 (in town) or \$67 (within one-mile of town). A second 300-gallon size can be made available at a rate of \$47 (in town) or \$59 (within one-mile of town). Additional pick-ups are billed at \$18 each.

Temporary use of an additional garbage container can be made available, as well. A delivery fee of \$10 will apply in addition to the standard pickup rate.

The City of Freeman's sanitation truck makes its route every Tuesday & Friday, with Sixth Street marking the dividing line for the following schedule:

- Tuesday's Route - Properties located NORTH of Sixth Street
- Friday's Route - Properties located SOUTH of Sixth Street

Sanitation routes begin during the early morning hours. To avoid forgetting, those receiving services are encouraged to roll trash receptacles out the night before. **As required by city ordinance, trash receptacles must be moved away from the curb for the remainder of the week.**

Disposable items accepted for pick up: disposable diapers, food waste, clothes, fiberglass, light bulbs (including fluorescent lights, punctured aerosol cans, plastic not labeled 1-5, small dead animals, window panes & mirrors, Styrofoam, empty (& dried) paint cans.

Do NOT place leaves, branches, construction debris, or recyclable items in garbage containers.
